

# Radnor Girls Crew Club

## Sponsorship Opportunities

### About the Club

The Radnor Girls Crew is recognized as a club sport with the endorsement of Radnor (PA) High School. RGCC is supported through seasonal dues and donations and is governed by a board comprised of parent volunteers. Our team races in boats with either eight or four seats (categorized as “sweep” rowing), in several racing categories: Freshman, Novice, Junior Varsity and Varsity. Within those categories, we also row in a lightweight division.

### We Need Your Support!
